

ICAR-CIFA conducts Campaign on Nutri-Garden and Tree Plantation

ICAR- Central Institute of Freshwater Aquaculture, Bhubaneswar today conducted a Campaign on Nutri-Garden and Tree Plantation. It is held as a part of Nutri-cereals Multi-Stakeholders Mega Convention a pre-run for International Year of Millets 2023. The mega convention was also live telecast at the Krishi Vigyan Kendra of the Institute. The KVK will also distribute seed packets for kitchen garden provided by IFFCO to rural women as means to strengthen their nutritional status.

A massive plantation drive was conducted at the headquarters Kausalyaganga. It was led by Dr Saroj K Swain, Director, ICAR-CIFA. Other senior officers and students too joined the campaign. Around 100 saplings of improved varieties of Mango were planted today at the organic aquaculture farm unit. All its regional stations- Raha, West Bengal; Vijayawada, Andhra Pradesh; Bangalore, Karnataka; and Bhatinda, Punjab have also organized tree plantation in their campus.
