

Plantation programme held at ICAR-CIFA

A tree plantation programme was held at ICAR- Central Institute of Freshwater Aquaculture campus today. The plantation was conducted with joint collaboration of ICAR-CIFA and Inner Wheel Club, Bhubaneswar. Mrs Aparajita Sarangi, Hon'ble Member of Parliament was the Chief Guest on the occasion. She appreciated such

activity and urged all present on the occasion to plant more trees and contribute to averting climate change. Director, ICAR-CIFA, Dr.Saroj Kumar Swain, emphasized about the present

plantation programme to plant good variety of fruiting plants and wishes to make a greener CIFA campus by establishing a “Panchavati Park” inside in it. The proposed park will have variety of fruit plants and medicinal plants. This will serve as a gene bank for a host of flora and would be useful for students and

researchers. The senior officials of ICAR-CIFA were present on this occasion. The President of Inner Wheel Club Mrs Sandhya Pattnaik, the Secretary, Mrs Prabhati Panda other members of the club were present during this plantations programme. Mrs Mousumi Mohapatra, President of AJITA, a non-political organisation of women, was also present.
