

AWARENESS CUM TRAINING PROGRAMME ON ‘SCIENTIFIC ANIMAL HUSBANDRY
& AQUACULTURE PRACTICES’ UNDER SCSP PROGRAMME

ICAR-Central Institute of Freshwater Aquaculture in association with Sasya Shyamala Krishi Vigyan Kendra, Sonarpur, have organised an ‘Awareness cum Training Programme’ on ‘Scientific Aquaculture and Animal Husbandry Practices’ at Saheberabad-II village, Sonarpur Block, South 24-Parganas on 26 December, 2020 under ‘Scheduled Caste Sub Plan’ programme of Govt. of India. Dr. S. Adhikari, Pr. Scientist and Scientist-in-Charge, Regional Research Station- Rahara, ICAR-CIFA have given welcome address and narrated the overall aquaculture scenario of the country. He has also given a brief lecture on scientific aquaculture practices. Dr. B. N. Paul, Pr. Scientist and Nodal Officer, SCSP Programme of West Bengal described the future action plan of the programme and highlighted the role of farm made feed for income generation. He assured that inputs like fish seed, feed, lime, poultry, goat, hand pelletizer etc. will soon be distributed under this programme. Dr. F. Hoque, Scientist of RRS-Rahara, ICAR-CIFA have given advisories for management of health of the fishes distributed under SCSP programme. Dr. Narayan Chandra Sahu, In-Charge, SSKVK also encouraged the farmers to adopt the latest technologies for the benefit of the individuals as well as the village. Dr. Sarbaswarup Ghosh, Subject Matter Specialist, Animal Science, SSKVK have highlighted about the latest breeds of poultry and goat and the way to double farm income. Dr. Swagat Ghosh, Subject Matter Specialist, Fishery Science, SSKVK have assured that help will be provided as and when required to the villagers post distribution of inputs and encouraged them to come forward for their own development. In the said training programme cum awareness meeting a total of 53 farmers attended the programme following the Covid 19 norms. There was also interaction with farmers on different aspects of ‘Scientific Aquaculture and animal husbandry practices’. The meeting ended with vote of thanks by Dr. B.N.Paul. During field visit a team of scientists along with the villagers visited different farmer’s field for identification of the suitable places for distribution of inputs and implementation of different technologies under the scheme.

Farmers attended the awareness cum Training Programme on “Scientific Animal husbandry and Aquaculture practices” under SCSP Prog. on 26.12.20 at village Saheberabad II.
