

## ICAR-CIFA organises vaccination camp for COVID 19

The ICAR-Central Institute of Freshwater Aquaculture, a premier research institute on freshwater aquaculture research and development is celebrating Azadi Ka Amrit Mahotsav to commemorate 75 years of Independence. A series of programmes including national campaigns, special lecture, webinars etc, were organised to mark this momentous occasion. As a part of **Jan Aviyan for 75 days COVID vaccine amrit mahotsav** the institute in association with District Medical Officer, Puri organised a Vaccination camp at the campus to provide free precaution dose to all employees today.

Around 350 doses (Covaxin-240 and Covishield-110) of the vaccine were administered to institute employees and their family members (eligible adults) informs Dr

S K Swain, Director .ICAR-CIFA. He urged the employees to create awareness among others in the neighbourhood about precaution dose and thereby contribute to containing the spread of COVID.
