**ICAR-CIFA organized 5-day training on “Recent Advances in Freshwater Aquaculture” during 21-25 August 2023 at RRC-Rahara, West Bengal**

A 5-day training on “Recent Advances in Freshwater Aquaculture” was organized for fish farmers of Patna District, Bihar during 21-25 August 2023 by ICAR-Central Institute of Freshwater Aquaculture at its Regional Research Centre, Rahara, West Bengal. During inauguration Dr. B.N. Paul, SIC and Course Director welcomed the farmers. In his opening remarks he told the farmers to take up scientific aquaculture practices for higher aquaculture production. ICAR-CIFA will help them to take up CIFA technologies. On this occasion a hindi manual was released and distributed among the farmers. The training consisted of lectures, demonstration, and interaction sessions on various aspects of scientific freshwater aquaculture. The farmers were exposed to netting of ponds, wastewater facility, hatchery operation, water quality management, fish pond fertilization, farm-made feed formulation, disease of freshwater fish and it’s control. A total of thirty fish farmers from Bihar attended the program. The participants were given certificates after successful completion of the programme. The training program was co-ordinated by Dr. S. Adhikari, Dr. R. N. Mandal, Dr. F. Hoque and Mr A. Das.
