Training cum input Assistance programme on “Ornamental fish breeding and culture” under SCSP programme during 01-02, March 2023

Regional Research Centre of ICAR-Central Institute of Freshwater Aquaculture (RRC of ICAR-CIFA) in collaboration with Krishi Vigyan Kendra, Sangaria, Hanumangarh (Rajasthan) have organised two days Training cum input Assistance programme on “ornamental fish breeding and culture” under SCSP programme during 01-02 March, 2023. Dr Anoop Kumar, Senior Scientist and Head, KVK, Sangaria, Hanumangarh (Rajasthan) delivered welcome address and explained the importance of SCSP programme for livelihood development in rural areas. Dr. Mukesh Kumar Bairwa, SIC, RRC CIFA Bathinda addressed the gathering and explained the role of ornamental fish farming in developing profitable business venture. On second day of the training, Mr. Ramesh Dev, SDM, Sangaria, Hanumangarh was invited as the chief guest for this programme. He appreciated the programme and urged the rural and urban youth to take training for this type of new business venture. During the technical session, training on ornamental fish breeding and culture was delivered by Dr. Mukesh Kumar Bairwa, Dr. Anoop Kumar and Dr. C S Sharma. During this programme, input assistance (portable cement tanks) was provided to fifty farmers to start ornamental fish farming for livelihood development. The programme was ended with vote of thanks given by Dr. Mukesh Kumar Bairwa.
