ICAR-CIFA organized

5-days training on “Breeding, Seed Production & Culture of Carps” during 17-21 July 2023 at RRC-Rahara, West Bengal

A 5-days training on “Breeding, Seed Production & Culture of Carps” was organized during July 17-21, 2023, by ICAR-Central Institute of Freshwater Aquaculture at its Regional Research Centre, Rahara, West Bengal. Inauguration of training programme was done by Dr.B.N.Paul, Scientist in Charge of CIFA, RRC Rahara. A total of 10 Aquafarmers and entrepreneurs from Uttar Pradesh, Bihar, West Bengal, Jharkhand and Maharashtra attended the program. The training programme was constituted of both theory and practical. The programme was focused on hands on training on induced breeding of Indian Major carps. Leaving aside of breeding they were also exposed to farm made feed formulation, fish disease and control, soil and water management in aquaculture and role of live food in fish culture. After the successful completion of training programme the trainees were given certificates. The training programme was coordinated by Dr.B.N.Paul, Mr.A.Das and Dr.R.N Mandal.
