**ICAR-CIFA organized Aquaculture Field Day on 09 April 2024  
at RRC-Rahara, West Bengal**

‘Aquaculture Field Day’ was conducted at the Regional Research Station-Rahara, ICAR-CIFA on April 9, 2024. A total of 30 students and 02 faculty members from the College of Fisheries, Rangailunda, OUAT, Odisha, participated in the program. The students of College of Fisheries, Rangailunda, visited

RRC-Rahara for the first time. The event aimed to provide firsthand insights into the latest advancements and best practices in aquaculture. Participants engaged in interactive sessions with scientists, explored research facilities, and gained practical knowledge through demonstrations on topics such as sustainable aquaculture practices, feed, disease management, and wastewater aquaculture practices. Dr. B.N. Paul, SIC, in his welcome address, briefed about the genesis of the institute and the center, fostering collaboration and

knowledge exchange among attendees. Dr. S. Adhikari and Dr. R.N. Mandal, Principal Scientists, also gave a brief lecture about the ongoing research activities of the institute. Mr. A. Das explained work done on captive breeding at this center and shown hilsa fry in tank.

Dr. B.N. Paul, Mr. Arabinda Das and Dr. FarhanaHoque coordinated the program. Overall, the Field Day proved to be a valuable platform for enhancing understanding and promoting sustainable approaches in aquaculture.
