SCSP funded program “Training cum Awareness Programme on Fish Farming in Salt Affected Regions under SCSP programme on 23.12.2022 at Shri Muktsar Sahib, Punjab

Regional Research Station Bathinda of Central Freshwater Aquaculture Research Institute (ICAR-CIFA) in collaboration with Department of Fisheries Punjab has organized a one-day program on "Training cum Awareness on Fish Farming in Salt Affected Regions" on 23 December, 2022 under the SCSP programme at Shri Muktsar Sahib, Punjab. Dr. Mukesh Kumar Bairwa, Scientist In-Charge, Regional Research Centre, CIFA Bathinda delivered the welcome address and explained the importance and scope of fish farming in salt affected areas with special reference to salt affected areas like Bathinda, Mansa Faridkot Sri Muktsar Sahib. Mr. Krishna Kumar Goyal, Assistant Director, Fisheries Department, Shri Muktsar Sahib, Punjab delivered lecture and explained the current status and future scope of fisheries in Punjab. In this programme 50 farmers (most of them SC farmers) from nearby villages of Bathinda, Punjab participated. The program ended with vote of thanks.
